Ryder Estate wines are crafted from our sustainably farmed estate vineyards on California's golden Central Coast. The Central Coast is blessed with cool ocean air that blankets our vineyards in the early morning until the warm sun peaks through the clouds in the afternoon. This wonderful combination of sea, sunshine and soil makes perfect growing conditions for our grapes to develop intense flavors and elegant character that is true to each varietal.

Our passion is to make the best wine each vintage to enhance life's best moments. At Ryder Estate, we keep it real and make great wines you can trust.

WINEMAKING

At the winery, the fruit is carefully sorted then destemmed, crushed and fermented at warm temperatures in stainless steel fermenters. Gentle punch downs are performed several times a day. Once dry, the must is pressed into stainless steel tanks for settling, then racked prior to aging on both new and neutral French oak. The time on oak imparts nuanced notes of vanilla and toast.

TASTING NOTES

Ryder Estate Pinot Noir is lush, silky and balanced. Black cherry and plum aromas lead into flavors of bright red cherry and raspberry with a hint of mocha and toasty oak. Pairs deliciously with BBQ'd pulled pork, stuffed mushrooms and relaxing with friends after a successful high tide sunset surf.
